To whom it may concern:

Summit Park Elementary School is committed to ensuring that all of our Students have quality physical education that meets New York State requirements. We provide all students with opportunities to be physically active before, during, and/or after school. Physical activity during the school day includes, but is not limited to recess, physical activity brain breaks, or physical education class. Summit Park does not withhold physical education as punishment for any reason, nor is it used as a punishment for any reason.

Sincerely,

Kim A. Hewlett
